

# Beryllium Total Cross Section

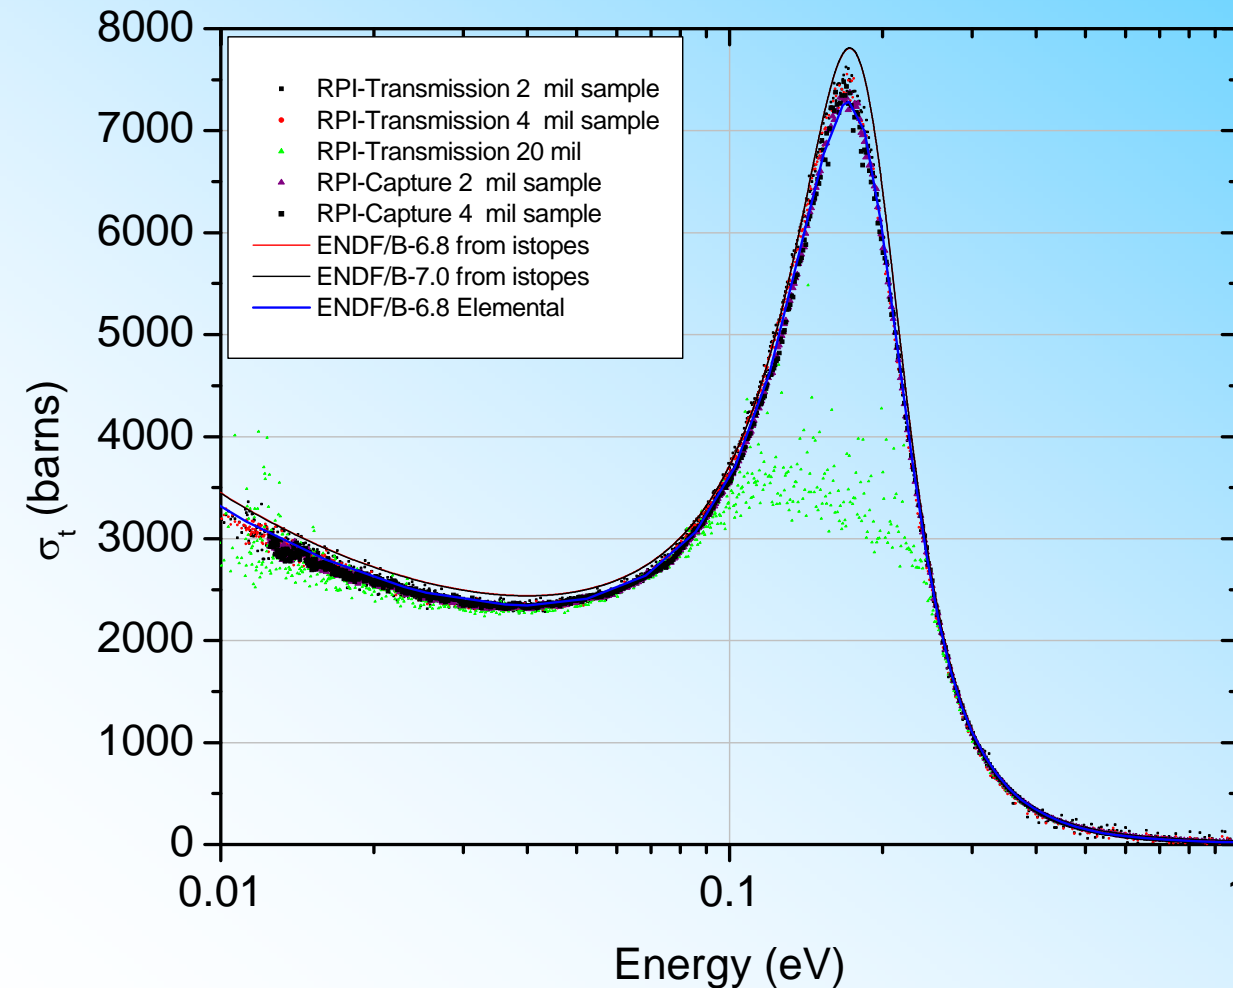

# Beryllium Total Cross Section (Low Energy)

# Beryllium Total Cross Section (High Energy)

# Thermal Total Cross Section of Natural Cd - I

- The transmission and capture data are in very good agreement
- The data is in good agreement with ENDF/B-VI.8 elemental but not with the isotopic ENDF/B-VI.8 and ENDF/B-VII.0
- Surprisingly there are not many measurements of the thermal value.
